

This program welcomes able young students who are aiming at such careers, and will send them out in the world as capable human resources after a fruitful **5-year graduate education**. Kyoto University strongly hopes that these students eventually contribute to a harmonious global society.

In this program, students are expected to not only fulfill the requirements of their respective graduate schools, but also to complete several classes and curriculum requirements specific to the GSS Program.

1. Number of students to be recruited

A few program students

Note: Selected students can apply for financial support to implement a two-week to three-month trip for GSS Program's Field training, Internship, International academic exchange, etc.
Expected supports: 3 persons for a 3-month trip, and 6 persons for a 2-week trip.
(The period of a trip is negotiable.)

2. Eligibility requirements

Students for this program must be enrolled in a Doctorate Program (1st part/Master Program) in one of the graduate schools and departments involved in the program (see Table 1 below) as of April 2018.

Table 1: Graduate Schools, Departments and Divisions involved in the Inter-Graduate School Program for Sustainable Development and Survivable Societies

Graduate School of Education	All departments (Interdisciplinary Studies in Education)
Graduate School of Economics	All departments (Department of Economics)
Graduate School of Science	Division of Earth and Planetary Sciences
Graduate School of Medicine	Department of Medicine and Medical Science, School of Public Health
Graduate School of Engineering	Department of Civil and Earth Resources Engineering, Department of Urban Management, Department of Environmental Engineering, Department of Architecture and Architectural Engineering, Department of Mechanical engineering and Science
Graduate School of Agriculture	All departments (Division of Agronomy and Horticultural Science, Division of Forest and Biomaterials Science, Division of Applied Life Sciences, Division of Applied Biosciences, Division of Environmental Science and Technology, Division of Natural Resource Economics, Division of Food Science and Biotechnology)
Graduate School of Asian and African Area Studies	All departments (Division of Southeast Asian Area Studies, Division of African Area Studies, Division of Global Area Studies)
Graduate School of Informatics	Department of Social Informatics, Department of Communications and Computer Engineering
Graduate School of Global Environmental Studies	All departments (Doctorate Program in Global Environmental Studies, Doctorate Program in Environmental Management)
